# Principal's Foreword

In East View Secondary School, every student matters and every staff counts. Just like the colours of the spectrum combining to form pure light, everyone in East View contributes to the vibrancy of school. This is reflected in the theme of this yearbook 'SPECTRUM'.

I am happy to present to you the events and people that made this year so memorable. This year book will serve as a collection of sweet memories for all staff and students and I hope that it will instil in all of us, a sense of pride for the school.

I would like to wish all our graduating students every success in their future endeavours.

May I also thank all members of the editorial board who has put in much time and effort in making the publication of this yearbook a success.

HAPPY TEACHERS'

Our Home School Partnership committee has recently been involved in some Parents' activities. They organised a Family Day in May which saw some 50 or more participants. They also hosted a Teachers' Day lunch for all East View staff to show their appreciation and participated in the Parenting Seminar held on Sept 3<sup>rd</sup>. They hope to plan more fun activities for 2006 and look forward to greater support from other parents.

A new National Education team took over the reins in 2005. The team led by Mr. Jeffrey Aw, HOD Pupil Development, consists of Mr. Farizal, Mrs. Malar, Ms. Audrey Tan and Mr. Jeremy Wee. The team, though small in number, made a big impact. The objective this year was to make NE real and meaningful for the students. With the support of the school staff, the team carried out events such as Cultural Day, Total Defence Day, Racial Harmony Day, International Friendship Day and National Day at a higher level of student participation.

The team represented the school in the MOE Excel Fest which was held in Suntec City in July. We showcased how Total Defence Day was celebrated in East View. We also shared this event at the East Zone Learning Festival.

The team took on an additional challenge and produced a customised Emergency Kit. The project prototype was sponsored by the School Innovation Fund. This kit was intended to encourage students to take responsibility for their own survival and safety in emergencies.

The majority of our students feel that more has been done for NE this year and agree that the events organized have created greater awareness amongst them.

The NE structure in EVSS was recognized by MOE as we are the proud recipients of the NE Development Award 2005.

One Commitment

The I & E team of Mr. Jeffrey Aw, Mrs. Florence Lee and Mr. Don Yeo organized 2 School Learning Festivals in 2005 to encourage sharing of best practices and cross-fertilization of ideas by staff. It was also announced that the school intends to direct its I & E journey towards innovations in Teaching and Learning so as to better improve the education experience for our students.

Our WITS team consisting of Mrs. Tan Siew Leng, Mr. Foo Yong Shiong, Mr. Farizal, Ms. Teresa Chua, Mdm. Badariah and Mrs. Ng Phooi Yee won a gold award at the NIQC 2005. This is our third gold at NIQC since 2003.

Staff members who submitted the Best Staff Suggestion of the Month in 2005 received a

crystal trophy presented by the Principal as well as had their names put up on an honours roll in the general office.

2005 was indeed a busy one for the entrEVenture team consisting of Mr. Jeffrey Aw, Mr. Don Yeo, Ms. Teresa Chua and Mr. Isaac Ng. Riding on our success at the Bizworld Finals last year, we conducted Bizworld Training for all our Sec One students hoping to spot potential competition teams. It culminated in a fun-filled carnival during Racial Harmony Day with the Sec One students setting up food and games stalls. This year, we also organized training for two pilot groups of students in Innovation Protocol and Financial Planning.

- ❖ 10 Part C cadets were sent for Mount Ophir Expedition in June 2005.
- ❖ 2 Supernumerary cadets – Nur Hafizah Bte Md Azhari 501  
Liyana Bte H Ramlan 403

All cadets have at least achieved a beginner/intermediate I swimming certificate.

Driven by its core values such as Leadership, Care for Fellow Cadets, Discipline and Adventurous Spirit, the NCC Boys Unit continues to distinguish itself by nurturing its cadets to become resourceful and resilient. Through courses and camps conducted by the Unit as well as HQ NCC (e.g. Camp FEAST, Specialists Course, M16 Trainfire package), our cadets have certainly grown in terms of physical fitness and mental strength!

In 2005, our cadets displayed renewed vigour and tenacity in putting up a marvelous display of creative fanciful drill formation to compete in the Area Drill Competition as well as achieved the following success :

- i. Area Games Competition : Overall Champions
- ii. Inter-Unit Soccer Competition (Girls) – Champions
- iii. UOPA Winners : Bronze (2004)

The year 2005 brought to the fore a new uniform group the National Civil Defense Cadet Corps. This new uniform group promises the students countless hours of learning important life skills such as first aid, fire-fighting and hazmat training. We are proud to unearth the pioneer batch of NCDCC cadets from East View and are molding these cadets into resilient and responsible citizens.

# Basketball

Since attaining the title of 1<sup>st</sup> runner up in the East Zone basketball competition 2004, East View's basketball team has earned a reputation as a formidable opponent. In this heavily contested sport, the basketball team trains through hard and long hours every year, making it one of the most physically demanding CCA in the school. Very few students are comfortable with the training schedule and even fewer will be good enough to make the school team. These disciplined and motivated students are poised to continue in their winning streak.

## Media Resource Club / Robotics Club

EVSS robotics club aims to constantly challenge and initiate higher learning in robotics technology. We aim to be the champion in the National Junior Robotics Challenge next year.

Our MRL Club members are in charge of various duties pertaining to the usage of audio, video and lighting equipment. Without them, daily events such as the flag raising ceremony, assembly and other functions will not run smoothly. They are the backbone to most events organized by the school providing quality assistance in the PA/AV area and are also trained to provide technical assistance to teachers utilizing the audio-visual equipment in the classrooms. They exercise responsibility in whatever they do and are therefore trusted in fulfilling a task.

So let's show our appreciation to these unsung heroes of EVSS.

One big happy family – the netball girls exude warmth and friendliness. This year, at the East Zone Netball Tournament, we managed to beat Broadrick Secondary School after a tough fight.

The CCA Executive Council exists to serve the school and its population. Some of the projects the Exco has undertaken this year includes the school's Talentime competition, Sports Day and Cross Country run. This year's Teachers' Day was also jointly organized by the Exco and the prefects. It was a rousing success that will remain in the memories of many.

40+

Two years has passed so fast  
But the memories will always last  
To the friends we've lost & gained  
And the people we'll never know  
by name

Here's to the wild & bizarre things  
we've done  
That we'll remember to be the  
most fun  
To the relationships we wonder how  
we lived without  
And the crushes we look back on  
& laugh about

And to the late nights we've spent  
cramping for tests  
And mornings where coffee made for  
test  
Now our endeavour has to end  
but what will never is us being friends

A smile given  
is a little happiness

A laughter heard  
is the sharing of fun  
But the memories created  
are a gift in a lifetime
