way and last year we
celebrated our 20th anniversary.

Looking back, we realize that the essence of East View is actually found in the many fine young gentlemen and ladies of the school. Just as our alumni continue to shine as they take their places in the world, our present students are also excelling in their various pursuits in East View.

The theme for this year's Yearbook is 'STARS'! So join us as we showcase the brilliance of our sparkling and shining STARS in the pages that follow.

St John Ambulance Brigade (SJAB) – For the Service of Mankind

SJAB has always been the top CCA in East View Secondary School. Our cadets, volunteers and teachers have strong passion for this CCA. We also have a strong drive to achieve, and we had done it yet again. We achieved a Gold award for our annual Best Unit Competition for 2007 after having a near miss for two years. The CCA has been consistently contributed to the school's SAA (Uniformed Group) for the past few years. Well done SJAB!

For 2007, SJAB went for our first overseas trip to Kota Tinggi, Malaysia. Over there, the cadets had some fun in having paintball, treasure hunt, trekking and some team building activities. SJAB also sees a few firsts in 2008. For the first time, our cadets went to a neighbouring primary school to share their first aid knowledge with the young and eager learners. We also had established contact with one self-help group which allow our cadets to again share their first aid knowledge with the public.

All these activities were done with one main aim in mind. That is the belief of character building. We hope that through these exchanges, we are able to instil in our cadets a strong sense of responsibility, initiative and discipline. This is in hope that our cadets can truly be servicing the mankind.

Hockey and Floorball

EV EAGLES

The year 2008 calls for celebration as we saw six of our players making it into the Singapore Schools Team. Our B Div Girls and C Div Boys Floorball teams came narrowly close to making it into the semi-finals in the National Schools Floorball Tournament. We also saw the gutsy showing of our C Div girls as the novices gave the traditional strongholds in Hockey a tough fight. The year end training camps herald the beginning of 2009 as the players gear up in preparation for the tournament season in the coming year. The new year shall be one where each player continues their journey of self-discovery and go on to soar to greater heights.

The East View netball team is establishing itself with strength of 21 girls, mostly from the lower secondary level. In netball, the students will be trained to master the game eventually through the acquisition of netball knowledge and skills; footwork, ball passes, tactical play and introduction of the netball rules and regulations. The wide exposure in playing the game will enhance the netball skills in every player. The game will also help to develop the students in their character development; leadership, sportsmanship and teamwork. This year the team has undergone a 3-day non-residential camp in June and played in many formal and friendly tournaments: Pesta Sukan Netball Carnival 2008 and Kaki Bukit CSC Netball Carnival 2008 to name a few, to enhance their game skills and character building.

The weekly netball training encompasses of the following:

1. Footwork
2. Ball passes
3. Tactical play
4. Ball drill
5. Physical training
6. Mental training

Every player will go through the training to discover her interest and talents in netball.

Soccer is a relatively new CCA being revived as a CCA only in 2007. Even with a short history, the CCA aims to make a mark as one the more 'glamorous' CCAs in the school.

We have a resident coach who is a highly qualified 'A' licensed soccer coach and a teacher in charge who possesses an FAS Preliminary coaching certificate.

The CCA presents members with the opportunities to be engaged in organized activities with the objectives of building responsible, healthy and disciplined citizens. These active boys are able to hone their soccer skills and engage in energetic activities in a controlled environment guided by teachers and a coach.

We participated in the competitive East Zone Soccer Tournament for the Under 14 and Under 17 groups. The Under 17 team also took part in the Teck Whye CC 'PM Lee Hsien Loong Cup' 5-A-side soccer competition in June and the North East CDC 7- A-side soccer competition on August 24th

Our activities are conducted every Tuesday and Thursday from 3.00 to 6.00 pm. In these sessions, members are taught:

- Techniques and Tactics
- Rules of the game
- Fitness and healthy lifestyles
- Camaraderie and Esprit de corps

Waizuri, which means young prince, is a newly formed CCA group since March 2008. It is created to expand the current Malay dance group to form the EVSS Malay Cultural Society. It comprise of male students from all levels who showed deep interest to showcase their talent in singing as well as forming hand movements according to the songs performed.

Although we started off with a small number, we worked hard in our trainings and achieved our first trophy within a span of four months. We believe that our dikir barat group will expand further and we will work hard to attain more achievements in the years to come.

- EVSS Indian Dance Team's Undying Spirit's Motto

There has always been something mystical about Indian dance, its allure and beauty, captivates the hearts of millions of audiences all over the world. The Indian Dance team has been constantly involved in expressing themselves to the world through dancing. Without fail, they managed to captivate the judges' hearts with their gracefulness and charisma during the **Singapore Youth Festival 2007**. The Indian Dance team's commitment and resilience led to the **Gold with Honours Award**. This time, they have yet to strike again with their positive drive and synergy for the upcoming SYF 2009!

It is said that one of the ways in which people express happiness, anywhere in the world, is through celebration with songs and dances. Likewise the Indian Dance team has constantly been part of EVSS's celebrations like the **CCA Fair, Cultural Night** and **Speech Day**. The team portrayed various complex Indian dance forms like the Bharatnatyam, Folk and Dandiya movements which acts like a window to the rich Indian culture.

We have an illustrious year in Chinese Orchestra this year! In June, we went on our first overseas learning trip to Hangzhou, China. We visited Hangzhou Arts School and learnt from the teachers there. We even performed for the whole school! Coming back from China gave all of us a morale boost to do well in next year's SYF. We will strive hard for gold next year!

EVSS Military Band has had an eventful and enriching year, with their own concert, Concerto Delights 2 held at the HDB HUB-in January, and participating the year's Singapore Youth Festival Competition in April to clinch the Bronze award.
